```

A diagram showing a call from a function to a class method. On the left, a gray rectangular box contains the text 'qpo_CFM_followSpeed'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'traci_api::VehicleManager' on the top line and '::getInstance' on the bottom line. Both boxes have a black border.
